

HOW TO RECEIVE CREDIT FOR YOUR LIFE/WORK EXPERIENCE

(This is the Advanced Standing Application)

Over 2,000 colleges and universities in the U.S.A. customarily award academic credits and/or degrees based solely upon:

- Transfer of credits from other schools
- Documented life/work learning experiences
- Passing proficiency examinations
- Writing a thesis and/or Dissertation

-----without any course work whatsoever!

These schools of higher education appropriately grant “advanced standing” upon satisfactory evaluation of a student’s previous study and life/work learning.

Fresh Anointing Christian Bible Institute Inc. is happy to do the same in order that you may join many others across the nation in attaining your degree goals in record time and save a lot of money. This widespread practice is based upon the simple premise that a person should get credit for what they already know.

Learning doesn't take place just in a cubicle or only from courses. One can acquire great spiritual insights without ever setting foot on a college campus. In fact, most of what you know came to you outside a formal classroom sitting. The whole world is your university, and everything you see, hear, or do can be an educational experience.

Jesus showed that all life is a seminary, and the Holy Spirit is our Instructor. The best learned lessons are intertwined in our daily walk with the Lord. Granting credit for life work is founded upon the old proverb, “Experience is the best teacher”. You can learn more about preaching by preaching, than from sitting around with an outdated text on homiletics. The idea of on-the-job-training use to be called apprenticeship.

Therefore, our approach to higher education is that if you have acquired Biblical knowledge and ministerial skills, you're entitled to receive credit for it. It's not necessary to retrace foundational doctrinal teaching, which you already know. If you qualify for advanced status, you can skip one, two, or even three levels of our courses.

When you receive a degree for your past study and life work, here at Fresh Anointing Christian Bible Institute Inc., it is considered an HONORARY degree.

INSTRUCTIONS

Provide Fresh Anointing Christian Bible Institute Inc., with a comprehensive portfolio containing all your institutional Christian education and extra institutional learning experience. It should be neat, preferably typed, and contained two parts:

PART I

A record of all your previous formal study from other schools. We gladly accept transfer students, and transferable credits from other reputable colleges and universities to be applied towards a higher degree from Fresh Anointing Christian Bible Institute Inc.

PART II

A record of your informal learning through significant life/work experience. Then Fresh Anointing Christian Bible Institute Inc., will consolidate Part I and Part II, and translate it into equivalent academic credits, advancing you to the corresponding educational degree.

(For more details)

PART I

List all post-secondary schools (beyond high school) that you have attended, or taken courses from, with subject titles, credits earned, and dates, even if you only audited them.

However, do not list secular courses. Send us a photocopy of all your certificates, diplomas, and and/degrees. Also, send all special awards you may have received. Never send originals, sent copies.

PART II

Prepare a Spiritual resume of all your major achievements and important accomplishments for Christ. If you have been in the ministry for some years, you may have a substantial list of credit-worthy endeavors that you have performed for the Lord that may even surprise yourself. Here's a checklist:

- Churches or storefront missions founded.
- Knowledge gained through pastoral ministry or evangelistic field, past or present.
- Conferences and/or conventions sponsored.
- Administering a Church department or outreach.
- Teaching or participating in a workshop or weekend seminar.
- Conducting revivals.
- Working closely with/under some great man or woman of God.
- Letters of recommendation or official commendation.
- Christmas or Easter plays, or other Biblical dramas performed.
- Art---painting a water baptismal mural.
- Musical or other talents you have employed for the Lord.
- Street witnessing, preaching, marches, tent work.

- Competency in various Church projects and activities such as V.B.S.
- Organizing fund raising drives.
- Writing a Christian column for a local newspaper.
- Preparing news releases, P.S.A., and ads.
- Communication skills developed in teaching, preaching, or counseling.
- Operating a prayer hotline.
- Teen/children's church work/leadership.
- Being a counselor or recreation director at a youth camp.
- Independent study and original research.
- Christian classic books read.
- Audio recordings or video programs for radio or T. V.
- Samples of your writings, tracts, brochures, newsletters, booklets, books.
- Mass distribution of Gospel literature.
- Home or foreign missionary trips, especially Holy Land Tours---just give a brief report of what you saw and did.

If in doubt about something, list it anyway, but substantiate each item as much as possible. And finally, conclude your portfolio with a brief statement about your short and long-range career goals for God. Remember, never mail originals. Send only copies.

EVALUATION

From this information, we will be able to determine your allowable credits towards a degree. Of course, everyone's past educational and ministerial history is different, and must be individually accessed to see what level of advanced standing you qualify for, but we will be fair and as generous as possible.

If your case warrants it, it will be just like you took our courses, and we can immediately confer an Associate or Bachelor degree upon you. Please indicate what study program you're interested in, and what your degree goals are, and in what field.

If you are pursuing a Master's and/or a Doctorate degree, Fresh Anointing Christian Bible Institute Inc., may recommend that you take our all our Courses.

If you already have a Bachelor's degree and have accumulated enough credits, Fresh Anointing Christian Bible Institute Inc., may be able to award you a Master's degree. But it's extremely rare for anyone to receive an earned Doctorate's degree based on life/work experience alone.

FEE

Fresh Anointing Christian Bible Institute Inc., will evaluate your portfolio. We will promptly notify you of your level of advance standing.
